This VDF is valid for one racing season unless the car's specification or ownership changes.

Historic Road Sports are keen to encourage new entrants into our Championship. As such we will consider allowing a car to race with us for up to three races whereby the car is not fully compliant. This is to allow you, the competitor to try a few races with us to gauge the Championship before the need to make mechanical changes to your car in order to make your car fully compliant to our regulations. Should you wish to come along, then simply fill in the application form for approval and send off to the HSCC office at Silverstone; we will attempt to confirm your entry one way or the other within 48 working hours.
